ABOUT

Hanna is known for her big ideas, her "can do" attitude, her adaptability, and her enthusiasm to help others. She will be graduating from the Multimedia Design & Development program at Humber College in June. She's hoping to put her skills towards designing for social good.

EXPERIENCE

Multimedia Designer - 96.9FM Radio Humber

March 2021 - Present

Audio & Video production, Digital Marketing, and Content Creations

Multimedia Designer / CDA II - Weston Humber Dental

Sep 2020 - Present

Web Design & Maintainance, logo design, digital marketing, chairside assiting

Freelance Illustrator - TuBi Design

2018 - Present

Using digital and traditional tools to create various Illustrations based on the client's needs. Some of my work are realistic portrait, children's book illustrations, water colour, acrylic, oil painting on canvas, or digital realism. I am very versatile and I can draw or paint using many techniques and styles.

CSW - The Stop Community Food Centre

2013- 2014

Conducted extensive research on local community social problems and needs. Analyze data, wrote a proposal for an Arts Program for seniors where I facilitated every week. Similiarly I also started a Books Program a few months later.

EDUCATION
